At the bottom of the screen you should now see a route button

Once you click the route button, your inspections will be transferred to Route Advantage to create your route

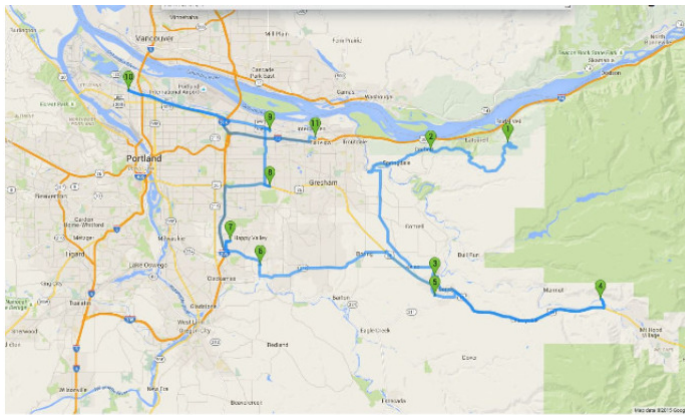

Once you click the route button, your inspections will be transferred to Route Advantage to create your route

Once your route is in place you can then click the optimize button.

You can now see the route on your map to verify that is the route you would like to take.

You may also add way points into your inspection

Add the address, city, state and zip

### Adding Route Entries ✕

Example: 12345 Sw Street, City, State, Zip

1350 Marion St NE, Salem, OR, 97301

Add To Route

Your Location

Import CSV

1. [Download CSV Template](#)
2. Insert your items according to the headers in the above file.
3. Upload the new file:  No file selected.
4. Alternatively you can paste the raw CSV data here

Process

**You may also get turn by turn directions**

- Map Data:** ©2015 Google

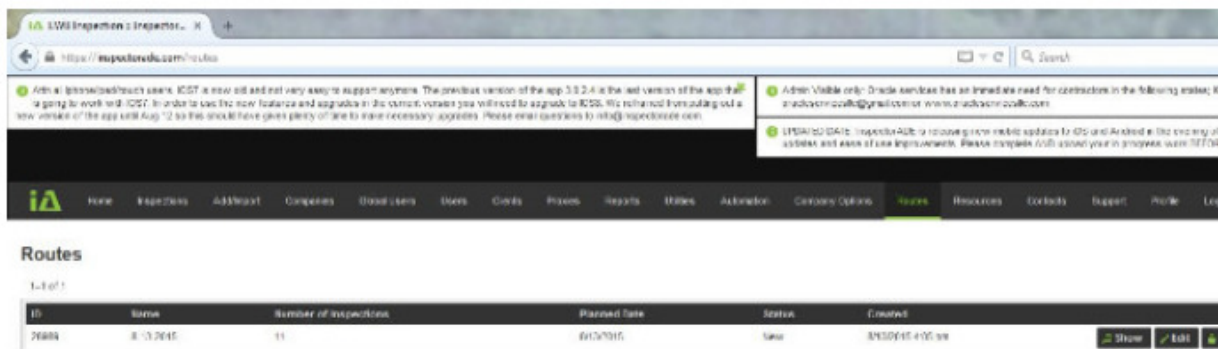

Now that you have your route completed click Finish

On the Inspectorade website, click on the routes tab at the top of the screen.

You will then see your route

Click show

You will then be able to see your route

# View Route

 Edit  Delete

 Download as

Name: 8-13-2015

Planned Date: 8/13/2015

Stop Number	Inspection ID	Address
1		47201 NE Toll Road, Corbett, C
2		501 NE ROHRBACH RD, CORE
3		37540 EMERALD CASCADE S
4		59720 SE MARMOT ROAD, SA
5		37496 SOLSOS DR, SANDY, (
6		14356 SE Territory Drive, Clac
7		10225 SE CHARLOTTE DR, HA
8		13905 SE POWELL BLVD, POR
9		3618 NE 154TH AVENUE, POR
10		9005 N PENINSULAR AVENUE
11		21557 NE LAUREL WOOD LAI

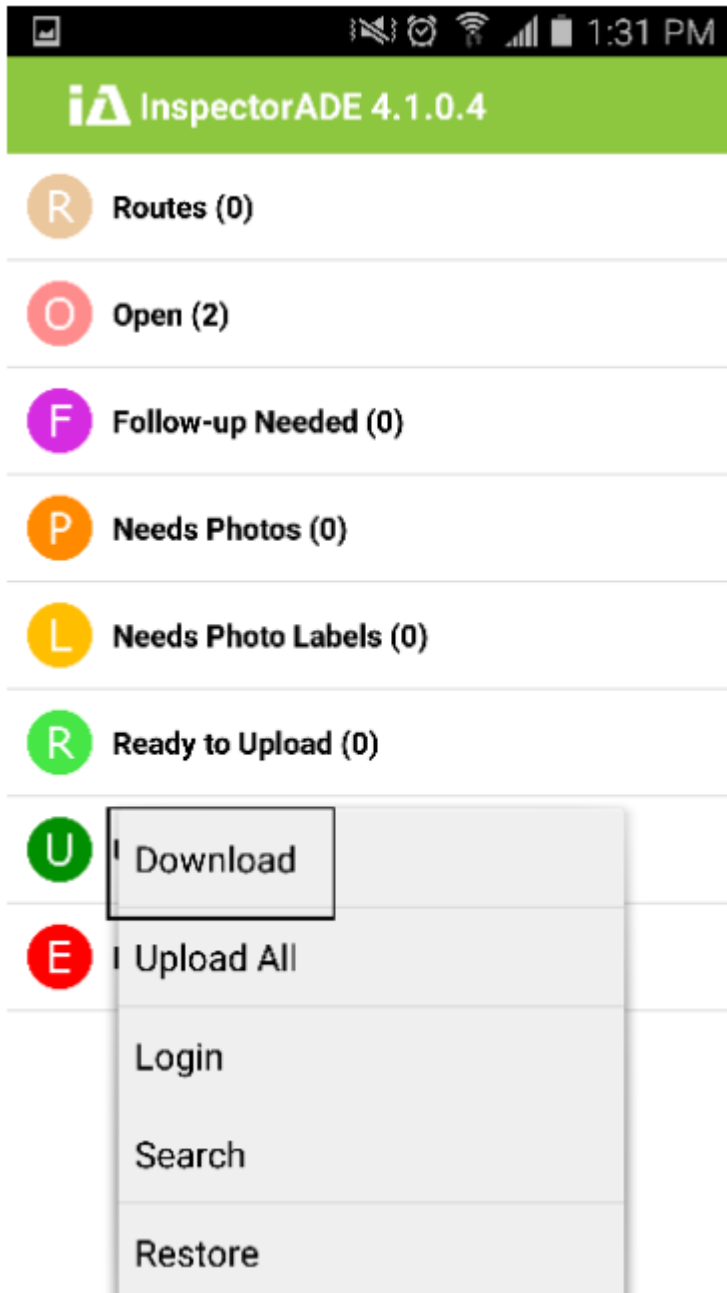

**You will then be able to print your route. You will also be able to export this route to your Android or Iphone IA app. With the route on the app you will then have all your inspections in route order. Enjoy**

## Downloading Route to Mobile

After you have created your route through Route advantage in Inspectorade

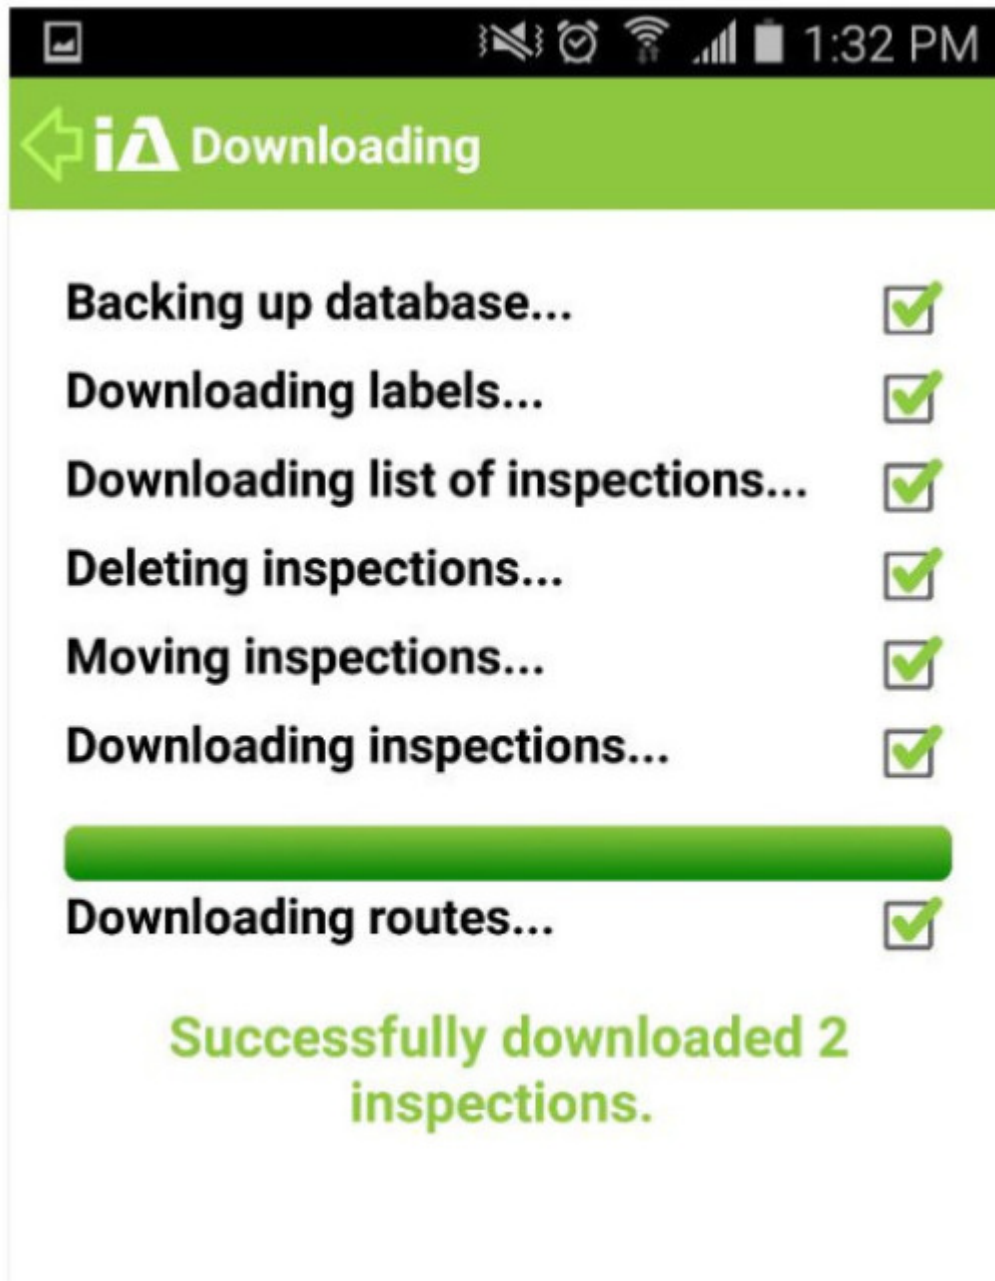

Open the app on your mobile device

Click download

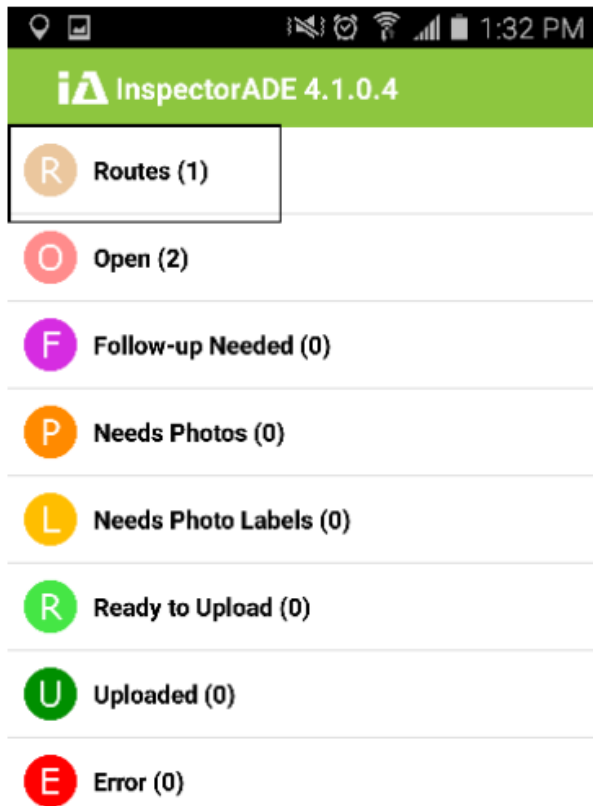

It will then download your route into the mobile app.

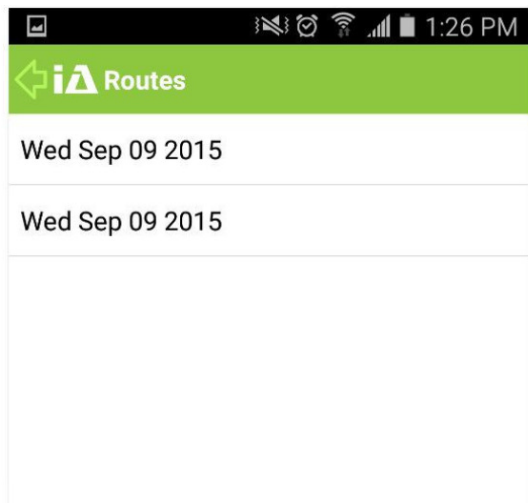

After you have done your download you will then see that you now have a route

Click on the route tab

You will then see all of the routes that you have created. Click the route that you would like to complete for the day.

Once you click the route you will see your route in the route order that you created on the website
